Sir:

Responsive to the Official Action of March 26, 2003,  
please amend the above-identified application as follows:

IN THE CLAIMS:

Amend claim 20 as follows:

--20. (amended) A method of operating a portable  
telephone having plural numbered dialing keys that each have a  
unique identity for dialing a telephone number, the method  
comprising the steps of:

establishing the telephone in a call origination mode;  
operating one of the plural numbered dialing keys and  
determining the unique identity of the operated one of the plural  
numbered dialing keys; and

changing from the call origination mode to an operating
